Business Description

Working in conjunction with prolific Irish artist impressionist Deborah Donnelly, we have developed a range of brand led exclusive Ceramics, Glassware, Woodware and linens. We are currently developing a range of fashion accessories for launch in Spring 2018.

Products and Services

- Design led commercial products for home, lifestyle and gifting with a unique art content.
- Art for lifestyle and not just admiration.
- A living function accessible to be shared by all.

Value Proposition

We wish to establish Irish contemporary art as a lifestyle. Our most valuable customer is you. Our value is our unique concept and integrity branding. We will design and ship to stock worldwide.
